Who We Are

Grove City College's **Career Services Office (CSO)** seeks to walk alongside students in their **pursuit of God's calling** for their lives through intentional **career coaching**, on-going engagement with **alumni and employers**, and hands-on experience including **job shadows, research, and internships**.

The Career Services staff consists of **credentialed career coaches** with industry expertise. We partner closely with GCC's Education Career Services (ECS) to ensure all GCC students are prepared to **pursue their purpose** with professionalism and confidence.

Over **90% of GCC students engage with the CSO or ECS** throughout their time on campus through coaching appointments, career & internship fairs, workshops, employer panel sessions, networking nights, or classroom assignments. We seek to know the unique interests and strengths of students in order to better support their exploration of career opportunities so engagement early and often with the CSO is encouraged.

Additionally, the CSO engages with **GCC's alumni network and employers from across the country** to build partnerships and connections for students. We promote the importance of **building a network of professionals and mentors** not just for the job search but for a community beyond Grove City College.

What We Offer

Career Resources

PathwayU
Explore career pathways that match your interests, values, personality, and more
